Hillary Clinton's August 2015 Ad
Family Strong
HILLARY CLINTON TO LAUNCH
Real Jew News
Hillary for

CAMPAIGN ADS TELL A STORY that either uplifts or depresses the spirit.

Hillary's Family Strong campaign weaves a story that sinks one's spirit into a sour state.

A strange dissonance sounds forth from her ads where Hillary 'champions' homosexual marriages, lesbian courtships, and *broken* inter-racial marriages.

Hillary's own family life strikes a *discordant* tone due to her husband's adulterous affairs and her peculiar vague responses.

With images of estrangement, separation, and disharmony awash in Hillary's ads, an echo of her own broken life dins in our ears.

And there's no need to rehash the old Clinton scandals, like Whitewater, the Arkansas Prison Blood Scandal, and Mena, because you can look at the new ones.

In or out of the White House, fun with the Clinton family never stops — Benghazi, the Emails, Sidney Blumenthal, and the Clinton Foundation Scandals.

Hillary Clinton is a metaphor for America, for in her own person she embodies cracks in a country gone amok.

America as a *united* nation no longer exists, and Hillary is not the one to put it back together again, she'll only make it worse.

It's not for nothing that her loyal supporters, New York Jews, are future-casting Hillary as the "first woman president."

The Jews trashed us with their "first black president" and they'll pile the trash even higher with Hillary Clinton.

Ironically, under Jewry's "black president," unemployment and civil strife in black inner cities have worsened—(blacks have little affection for Obama)—and under Jewry's scheduled "first woman president," strife between conservative and liberal women will detonate.

AND DON'T YOU KNOW that young blacks instinctively despise Hillary?

Bad things are coming to America's "family"...if the Jews get their "first woman prez."

URGENT APPEAL
—————————
I need to find a new place to live here in Summit County CO.

(It is important that I stay in this area.)

The place I'm living in now, (a downstairs apartment), was sold and the new owner, (who wants to make a greedy buck by renting the apartment on a nightly basis to out-of-town skiers), will not be renewing my lease.

It's impossible to find a place to rent in Summit County come October when skiers and second home owners settle in for the ski season.

I need to find a new place before October. Crunch time has come.

All the places I've looked at that are desirable are priced WAY ABOVE what I can afford.

Please Help If You Can:

Brother Nathanael Kapner; PO Box 1242; Frisco CO 80443.

It's the same thing here in EU. The Jews promote the most weirdoes to be prime ministers and politicians. With very few exceptions they are all pro-immigration.

If this doesn't stop, we see the last days of Europe as we know it.

I hardly think there is a street in EU where you can't see Arabs and bBlacks. And they are coming by the millions each year. Ever more.

Anybody really think the Jews would hesitate one sec to do this? EU is FLOODED with "refugees" right now.

Austrian intelligence says US organizations are funding immigration into Europe.

@Bro Nat

Americans went through their fascination of electing a black President. I'll admit it got me too.

Now that they see that nothing is changed, will they keep up their fascination for something new? Like a female President? Probably not but guess what? Whoever is picked, nothing will change. JEWSA!JEWSA!JEWSA!

What can one say to this sad and depressing news?

The Clintons have had much power for many a year.

Except to be reminded of this.

'The wheels of God grind slowly but they grind exceeding small'.

With amounting news of Hillary's venal activites while Secretary of State and threat of some more disgrace, perhaps she is at the end of her tethered connection with the Jews.

Nevertheless, she still appears on television as a glowing albeit shameless contestant.

Is it true that while in the White House, she engaged in occultic practices? Is she really a Lesbian as some have declared? And worse?

She flouts her obvious misdemeanours against her nation and its people with little regard for any decency.

The candidates are a laugh, she being one of that mob.

The best that can be said of her is this.

She is not of an ilk such as those Christian Zionists in former and present candidancies whose love for Israel is contrary to everything the Bible teaches.

Her not-so-good college training has produced one true to its errant philosophies but her peccadillos become obvious in time.

The Christian Zionists are not of the play-acting variety as were some belonging to the Judaizers sent down from Jerusalem by James to the Galatians.

They are so deluded as Zionists that they follow blindly the myths of the Jews, the Talmudic Kabbalists.

First century Christians would have considered them in the class of Pappias, whose Zionistic theories were known to be 'carnal'.

How ironic it is these families are groomed basically from the git go to become our leaders.

They can do no evil and are always encased in purity.

The average person has no chance of becoming our presidential leader or hold any position of high office. And we continue to scurry about in La La Land with debt and wars as our future.

If one defines a prostitute as one who will do anything for financial gain, power or fame, then doesn’t Kilary fit that bill?

Staying with an adulterous man solely to ride his coattails to power and fame epitomizes her “values” to a tee.

Anything is ok…..the ends justify all the means. I’d love a qualified woman president…..just not her.

Jerry

If you want to know who Hillary is and her family values justt read her master’s thesis.

It tells who she really is.

New bumper sticker is available having Trump’s and Hillary’s headshot with “TRUMP THAT BITCH” written in between.

Can’t we just call her Hillary “Jezebel” Klinton? Surely the “Jezebel” angle will fluster her immensely while being wholely accurate.

Of course, we can revamp “Jezebel” into “Jewzebel” so as to reveal her true backing.

Nicholas Landholdt

August 18, 2015 @ 8:26 am

Prediction: The Stupid Party Establishment want Round 2 of the Bush-Clinton Crime Family “wars” and will “force” Trump to go Second Party (we only have One Party in neo-pagan Amerika).

That will split the vote between Jeb and Trump giving the “free election” to Hillary. Amerika is toast.

Solution? Focus on your state and revitalize the State Militia that the traitors in the 1903 Congress abrogated. I’m glad I’m a Texian (open carry) where I am working to revitalize the Texas Militia which will outnumber the USArmy 15:1.

The Money Lenders and their Usury (Federal Reserve) won’t be going away without a fight so prepare for major unrest to include both civil and race wars.

The Militias will need to fight off the standing army and National Guard as well as local para-military forces. Kyrie eleison.

R A FEIBEL

August 18, 2015 @ 8:30 am

Why dump on the Clintons? When the entire political system we have been led to believe is a democracy we control, is just the opposite–a fascist system controlled as planned by the Rothschild bankers, not just the Rothschild bank, but their partners of what we now call Wall Street and the Christian Zionists as their soldiers.

The entire nation/world is awash with the Ziojew financial enslavement, and the stupid, dumb morons we call the American Public will argue with you, when you try to explain the truth.

They will call you every name in the book relating to Antisemitism. And that’s if you can actually get anyone to listen!!

Every single candidate running for office, not just the presidency, but everyone down to the city councilman in your town.

And take a close look at your sheriff of your county and see how they’ve equipped the department with military gear ready to put down anyone who rebels. It will surprise you!!

Well, America deserves what’s going to happen to it, doesn’t it?

Abortion, wars of empire, fag marriage….

At one time I used to think we were *sort of* the good guys but on reflection it became clear that we’ve never really been the good guys:

The Texas War of Independence, the many Indian Wars, the Mexican-American war, the Second Opium War, the Spanish-American War, the Philippine-American War, the Moro Rebellion, the occupations of various Central American countries, WWI, WW2, the Vietnam debacle, the invasion of Haiti, the Bosnian War, the Kosovo War, The Gulf War, the Invasion of Afghanistan, the Second Iraq War, interventions in Libya and Syria, Ukraine….

America is a blood-crazed Golem - stomping about the globe, gleefully dropping “freedom and democracy” bombs upon terroristic hordes of ignorant, paranoid and ungrateful peoples.

Especially those in closest proximity to oil wells.

Dear Brother Nathanael,

I hope that you are well.

I would like to send you a contribution but I live abroad. I don’t have a lot of money but I could send you $100. I would have to send by Moneygram or Western Union. Is that convenient for you? Please let me know.

I truly wish I could send more. I thank God that there are people like you, who defend God and speak the truth.

May God bless you always,

Cynthia
